Directions to Chincoteague

From Bay Bridge – Annapolis, Maryland Area

Approximately 2 ½ hours from Annapolis to Chincoteague

- Cross the Chesapeake Bay Bridge. *Toll \$2.50 eastbound. No toll westbound.*
- Route 50 South toward Easton, Cambridge and Salisbury
- At Salisbury follow the Rt. 50 by-pass. Don't take the Business route through town. If you goof, that's okay. Just follow the Rt. 13 signs and enjoy the traffic lights and strip malls☺
- The bypass becomes Rt. 13. Stay on the main road. **DO NOT** exit onto Rt. 50 toward Ocean City. Keep going south on rt. 13.
- Cross the Maryland – Virginia line just beyond Pocomoke City. It's about five miles to the next turn from the border.
- Pass the Virginia Visitors Center on the right
- Pass through the town of New Church – truck scales there
- At Route 175 turn left. There is a traffic light – the first one after the MD/VA boarder. If you pass the Food Line and Sonics fast food place on the left you missed the turn. If you enter the village of Oak Hall you missed the turn.
- Follow Rt. 175 about 15 miles and you will be on Chincoteague Island. Along the way you'll pass through NASA Wallops Island Flight Facility and see the visitors center with its rockets on the right. You'll travel the five mile causeway to cross Chincoteague Bay.
- At the traffic light after you cross the drawbridge you'll be at the intersection of Main Street and Maddox Blvd. Now follow the specific directions to the venue in which you'll perform or demonstrate.
