

Directions to the Senior Center

From The Chincoteague Drawbridge

- At the traffic light at the foot of the drawbridge turn **RIGHT** on to Main Street.
- Travel about half a mile into historic downtown Chincoteague. Turn **LEFT** onto **Church Street**. The corner is marked by a Valero Gas Station.
- The Senior Center, where concerts and other CCA events are held is on the left side of Church Street. The building has no sign. There are no street numbers. It is a low, frame, white building sitting in a vacant field. If you pass the Baptist Church and the intersection with Pension Street, you missed the Senior Center. The Senior Center is also conveniently located just one house away from the funeral home.
