

Chincoteague Cultural Alliance

Building Community through the Arts

The Chincoteague Cultural Alliance is a grassroots arts organization that produces more than 100 events each year. In 2016, with help from many supporters, CCA began transforming an old Island school building into the Chincoteague Center for the Arts. With new classroom and gallery space, along with many other improvements, CCA will do even more in 2017!

Because CCA is an all-volunteer organization, we depend on members who contribute their creativity, time, and money to make all of this possible.

Thanks for your support!
